Dear Les,

On behalf of the entire DCI's Science and Technology Advisory Panel, I want to express my appreciation for your having lunch with us on 18 September. The discussion was extremely useful to the members of STAP and we hope to you as well. As you know, STAP wants to be as helpful as possible in solving problems that you and the Agency might have and, hopefully, our discussions contributed to that effort. In that regard, we would like to have discussions with you on a regular basis during the STAP meetings and are looking forward to seeing you again in the future.

Sincerely,
